

## Family Member's Eligibility Requirements

- ◆ Documentation showing your relationship to the Veteran, such as a marriage license or birth certificate for children.
- ◆ Documentation showing you lived on the base for 30 days or more between August 1, 1953 and December 31, 1987.
  - a) copies of orders or base housing records **or**
  - b) VA will assist you with verifying residency
- ◆ Gather qualifying expense receipts.

## Family Member's Health Care Reimbursement

VA is reimbursing family members for eligible out-of-pocket medical expenses related to the 15 covered conditions. By law VA can only pay for treatment after you have received payment from all your other health plans.

You will be able to continue to receive health care from your providers. VA will NOT be providing you direct health care.

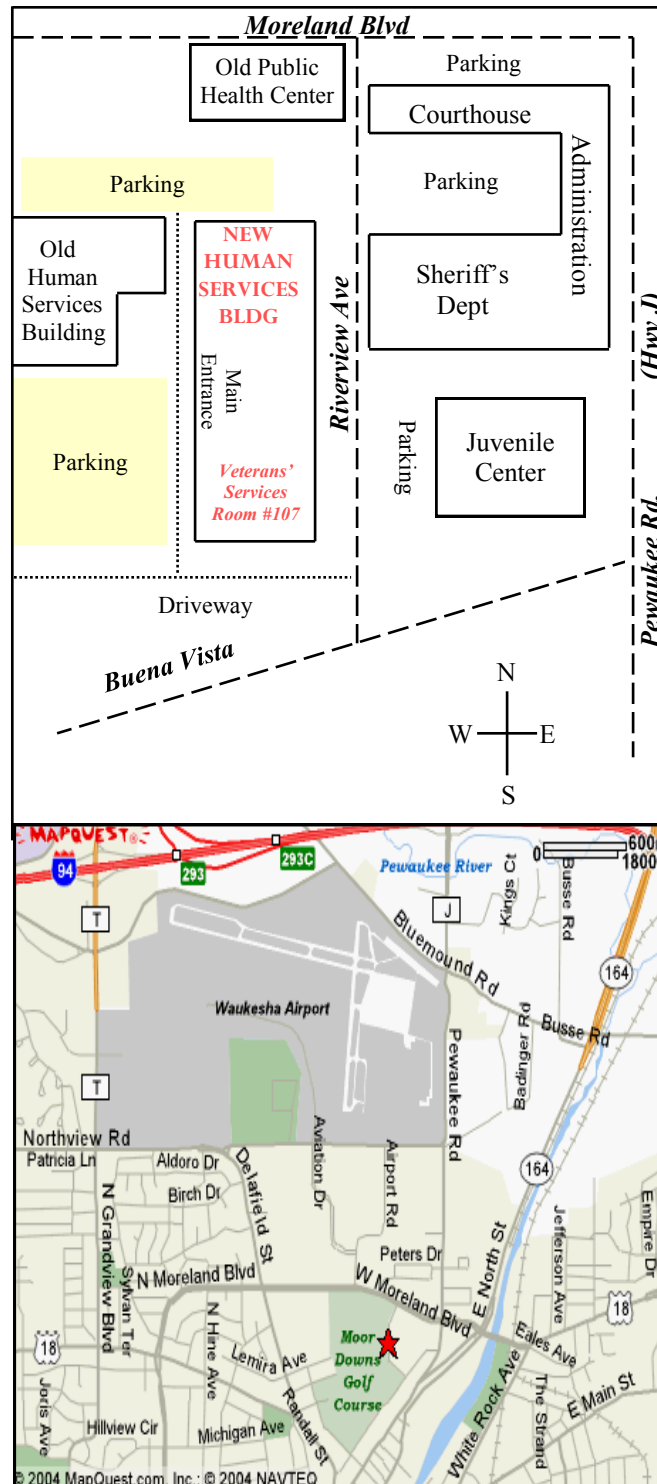

Do NOT cancel your health insurance. This program only covers the 15 health conditions listed. It does NOT meet the minimum standard for health coverage under the Affordable Care Act.
